1. Driver only. 2. Figures based on WLTP (Worldwide Harmonised Light Vehicle Test Procedure) static laboratory combined average city and highway cycle test, which measure, energy consumption, range and emissions in passenger vehicles, figures stated for the purposes of comparison amongst vehicles tested to the same technical procedures only. Actual real world range results will vary depending on a combination of factors including but not limited to load, driving style, type of journey, vehicle configuration, battery age and condition, use of vehicle features (such as heating and air conditioning), as well as operating, environmental and climate conditions. 3. Charging times will vary depending on a variety of factors including, but not limited to, the output of the charger being used, starting battery charge, charging equipment, ambient temperature, battery state as well as the age of the battery at point of use. As a result of these factors, charging times may therefore vary significantly.

12-months complimentary DEEPAL Roadside Assistance ⁵	●	●

1. Leather appointed seats are a combination of genuine leather & synthetic materials and are not wholly leather.
2. Optional extra available at an additional cost. 3. The DEEPAL E07 comes with 7 Year/160,000 km (whichever comes first) Manufacturer's New Vehicle Warranty ("Warranty"). Warranty excludes vehicles used for a commercial purpose and does not cover consumables (e.g. oils and fluids) or items of a fair wear and tear nature (e.g. wiper blades) unless they are defective in manufacture. Warranty over covered items is subject to compliance with DEEPAL instructions and operation and maintenance requirements relating to those items. See www.deepal.au/ownership/ownership-promise/ or your vehicle's Warranty and Service Handbook for full terms, conditions, and exclusions. The Warranty does not limit your rights under the Australian Consumer Law. 4. The DEEPAL high voltage battery warranty ("HV Battery Warranty") period is 8 years/240,000 kms, (whichever occurs first) and excludes fair wear and tear related battery capacity degradation issues. HV Battery Warranty is subject to compliance with DEEPAL instructions, operation, charging and maintenance requirements and regular battery health check inspections according to DEEPAL recommendations. Excludes vehicles used for a commercial purpose. See www.deepal.au/ownership/ownership-promise/ or your vehicle's Warranty and Service Handbook for full terms, conditions, and exclusions. The HV Battery Warranty does not limit your rights under the Australian Consumer Law. 5. Purchasers must opt in to receiving Roadside Assistance at time of delivery.
